About “Sip of Kindness”

Introduction

The Interact Club of Lalitpur organized “Sip of Kindness” on 11th August 2026 as a small initiative to bring refreshment and kindness to the community. With the generous support of Dabur Company, the club distributed juice to people around Patan Durbar Square.

Project Summary

On 11th August, the members gathered at Patan Durbar Square at 3:00 PM and divided themselves into two groups. One group took responsibility for the juice distribution activity and prepared the sponsored juice for distribution.

The team then distributed juice to people in and around the area. Members approached people respectfully and ensured that the distribution was carried out smoothly and equally.

The activity created a warm and positive atmosphere, as members were able to share something as simple as a refreshing drink with others. The support from Dabur Company played an important role in making the initiative possible.
