About- Evening Bhajan Programme

Introduction

The Interact Club of Central Butwal, in collaboration with Rotaract Clubs, successfully organized the Bhajan Programme at Devsthal Temple located at Jaycuti, Tillotamma. The program was conducted with the objective of promoting spiritualness between devotees, encouraging bhajan programmes, and fostering community service among students through meaningful participation.

Programme Summary

The Interact Club of Central Butwal organized a devotional Bhajan Program throughout the holy month of Shravan 2083 B.S., with the aim of providing devotees with a peaceful and spiritually uplifting environment. The program was conducted every Monday evening from 6:00 PM to 8:00 PM, covering all four Mondays of the month and creating a meaningful space for prayer, devotion, and togetherness.

The program brought together members and devotees through devotional songs, bhajans, and collective spiritual participation. As Mondays of Shravan hold special religious significance and are traditionally associated with devotion to Lord Shiva, the initiative helped participants celebrate the sacred month while strengthening a sense of faith, harmony, and community spirit.

The event was successfully conducted through collaboration among multiple Rotaract clubs, with the Interact Club of Central Butwal being the only Interact club involved in the initiative. The collaboration demonstrated the power of youth-led service and fellowship, while the warm and devotional atmosphere made the four-week program a memorable and enriching experience for everyone involved.
