Introduction: The Interact Club of Medha RY 2026/27, has successfully conducted its first school based project which has involved interested students of grade 7 and 8 summing up to 20 participants, contributing in our club development and membership. This program has allowed students to showcase and enhance their creative skills in a way that it has been rewarded. The program was conducted with the aid of our honorable teachers.

Project Summary: To start with, there were total 20 participants who were seated in the auditorium of Medha SS. They were explained about the rules of the competition, and were instructed to complete their respective piece on the given theme in a time limit. After that, each of their works were scored by our judges on the spot determining the final results. The prizes were distributed by our respected Headteacher Sir Shyam Hada, which were stationery items. All of the participants were appreciated for giving us their valuable time and were thanked.

From this program, the students were given a chance to present their skills and thoughts on paper which has helped in their growth. The Name of the Winners:-
