Horror Movie Night

Date: 21st August

Location: British Model College

Specified Committee: Fellowship Committee

Area of focus: Member Engagement and Fellowship

Introduction:

Movie Night was a fellowship event of ICBMC held at British Model College on the 21st of August, 2026. Unlike our usual service-oriented projects, this event focused on bringing members together to relax, bond, and strengthen friendships within the club through a shared love for movies and food.

The event also aimed to boost membership by giving prospective members a relaxed and welcoming way to experience the club and understand what being part of ICBMC is like. It served as a reminder that fellowship and fun are just as important to a thriving club as service and social work. The evening centered around a screening of the horror film “Incantation,” which ran until 7:00 p.m., accompanied by pizza, chips, and Coca-Cola.

Project Summary:

Our fellowship event, Movie Night, was conducted in British Model College on 21st August, 2026. The program began at around 5:00 p.m. with members gathering together, buzzing with excitement for the evening ahead. Students were served generous helpings of pizza, chips, and Coca Cola, setting the mood for a cozy and relaxed movie experience. Once everyone had settled in with their snacks, the screening of "Incantation" began, its eerie storyline keeping everyone hooked from start to finish. The room was filled with a mix of laughter, occasional screams, and playful banter as members reacted to the film's chilling moments together. The movie concluded at around 7:00 p.m., with respected members and friends alike having enjoyed the film in good company, making the evening feel less like an event and more like a get together among friends. The program proceeded smoothly from start to end, with everyone leaving satisfied, well fed, and thoroughly entertained. It was a much needed break filled with good food, good company, and a great movie, leaving everyone with fun memories to cherish and look back on.

Sincerely,
