About: 'BOD Orientation Program'

Introduction:

On 19th July 2026, Interact Club of Prativa Pokhara Fishtail, in collaboration with our sister club Interact Club of Tops Fishtail, successfully organized a comprehensive BOD Orientation Program for the Rotary Year 2026-27. The event was graced by the presence of our esteemed Zonal Interact Representative (ZIR), Itr. Nirdesh Bastola, and distinguished District Officials from Zone-3.

Project Summary:

The program aimed to equip the newly elected BOD members with a thorough understanding of their roles, responsibilities, and expectations for the upcoming tenure. The session, delivered by ZIR Itr. Nirdesh Bastola, provided valuable insights and guidance on effective leadership, teamwork, and

project management. The BOD Orientation Program was a resounding success, with all participants expressing appreciation for the informative and engaging session. The event marked an excellent beginning to the new tenure, setting the stage for a year of impactful service, growth, and fellowship. We extend our sincere gratitude to ZIR Itr. Nirdesh Bastola for his inspiring and insightful presentation, and to the District Officials for their participation and support. We also appreciate the collaborative efforts of Interact Club of Tops Fishtail in making this event a success.
