

Truth, Tooth, and Tomorrow: Decoding Dentistry for the Next Generation

Project number: 3

Date: 1st August 2026

Location: Google Meet

Collaborated with: Rotaract Club of Naxal Shakti and
Interact Club of Prativa Pokhara Fishtail

Supported by: Rotaract Club of Naxal Shakti

Specified committee: Community

Area of focus: Oral Health & Dentistry

About: “Truth, Tooth, and Tomorrow: Decoding
Dentistry for the Next Generation”

Introduction:

On 1st August 2026, the Interact Club of Tops Fishtail, in collaboration with the Rotaract Club of Naxal Shakti and Interact Club of Prativa Pokhara Fishtail, successfully organized an online webinar titled “Truth, Tooth, and Tomorrow: Decoding Dentistry for the Next Generation.” The webinar focused on oral health and dentistry, aiming to provide participants with meaningful insights into dental health, the field of dentistry, career opportunities, and its future scope. The session was delivered by Dr. Ujjwal Koirala, Associate Professor at Gandaki Medical College, who has over 15 years of clinical and academic experience and has pursued MDS in Oral & Maxillofacial Surgery from Jiangsu University, China. The program was designed especially for students, pre-dental aspirants, medical students, and anyone interested in oral health and dentistry.

Project summary:

The online webinar “Truth, Tooth, and Tomorrow: Decoding Dentistry for the Next Generation” was successfully conducted through the collaborative efforts of the Interact Club of Tops Fishtail, Rotaract Club of Naxal Shakti, and Interact Club of Prativa Pokhara Fishtail. The session featured Dr. Ujjwal Koirala as the chief speaker, who shared valuable knowledge and practical insights regarding oral health and the field of dentistry.

During the webinar, participants gained a better understanding of dentistry, its clinical and academic aspects, career opportunities, and its importance in maintaining overall oral health. Dr. Koirala also shared insights based on his extensive clinical, academic, and research experience, helping participants develop a clearer understanding of the profession and its future possibilities.

The webinar provided an informative and inspiring platform for students and aspiring dental professionals to interact with an experienced academician and clinician. The active participation of the attendees contributed to the success of the program. Overall, the event successfully promoted awareness about oral health and dentistry while
