About "Fellowship Hike"

Introduction:

The Fellowship Hike was organized by the Interact Club of L.R.I. School as the club's first group activity of the Rotary Year 2026–2027. The event aimed to provide members with an opportunity to spend time together outside the usual club setting while strengthening friendship, teamwork, and fellowship among the members.

Project Summary:

The hike began at around 10:30 AM, with members travelling together towards Jamacho. Upon reaching the destination, the members spent time together, took group photographs, and shared a meal, creating a friendly and enjoyable atmosphere. While returning from the hike, the members also participated in a small clean-up activity by collecting litter along the trail, contributing to keeping the surroundings clean.

Outcomes of the Event

1. Strengthened friendship and fellowship among club members.
2. Encouraged teamwork and active participation through a shared outdoor activity.
3. Created opportunities for members to interact and bond outside the regular club environment.
4. Promoted environmental responsibility through the collection of litter during the return journey.
5. Made the first group activity of the new Rotary Year a memorable and meaningful experience for the members.
