About "Life Beyond Addiction"

Introduction:

Interact Club of Deep Boarding organized a self~development session by inviting our (DSP) Mr.Nishan Shrivastav of Butwal Sub~Metropolitan City.

Program Summary:

We invited the DSP of our hometown Mr.Nischal Shrivastav to share some of his guidance towards life and to not be involved in any type of drug addictions. We got to learn a lot from his journey and also got really motivated to be an non~addict human being.
