On 13th August, The Interact Club of Annapurna Higher Secondary School collaborated with Interact club of Kathmandu, Interact club of Gyaneswor Swati Sadan. Interact club of Creative Academy Kirtipur, Interact club of Valley Public, Leo Club of Kathmandu Dharahara height for the "Youth Unfiltered" event. The event chair of this event was Itr. Amogh Khanal General Member of Interact club of Kathmandu

Project Summary:

On 12th August, On International Youth Day, the Interact Club of Annapurna H.S.S. collaborated with multiple other clubs to host a thought provoking seminar focused on the challenges faced by today's youth. The event brought together young minds to openly discuss pressing issues such as mental health, academic pressure, career uncertainty, and social media influence. Through panel discussions, open forums, and expert insights, the participants actively brainstormed practical solutions to these problems. The event proved to be an eye-opener for many, leaving attendees with renewed perspectives, actionable takeaways, and a stronger sense of unity in tackling youth-related issues together.
