.On 12th August, The Interact Club of Annapurna Higher Secondary School collaborated with Rotary Club Of Thamel for the "Dental Camp "event. The event took place in Shree Krishna AdarBhut School where children from grade 5 to 1 had thier teeth checked by professional dentists.

Project Summary

On 13th August, Interact Club of Annapurna H.S.S., in collaboration with the Rotary Club of Thamel, organized a free dental health camp at Shree Krishan Adarbhut School. The team provided free dental check-ups and treatment to children from Grades 1 to 5. As part of the outreach, every child received a free toothbrush and toothpaste to encourage daily oral hygiene. To wrap up the event, the attending dentists conducted an interactive awareness session, educating the children on proper brushing techniques and the importance of maintaining good dental health. The camp successfully served [number] students, promoting healthy smiles and lifelong habits..
