

Joutuk Antya

Project No.: 6

Date: 17th August, 2026

Hosted by: Interact club of Narayani Public School

In Collaboration with:

1. Interact club of Chandpur, Bangladesh

Avenue: Community Service

Introduction:

On August 2026 the Interact Club of Narayani Public School successfully produced and presented a documentary titled "Jautuk Antya" (End Dowry System) under the Community Service avenue. The initiative aimed to address and raise awareness regarding the persistent social evil of the dowry system. Created using researched online data, statistics and real-life case studies the documentary focused on highlighting the severe social and psychological impacts of dowry on families and women. Through this media project the club focused to educate students and community members promote gender equality.

About "Joutuk Antya"

Summary:

President and secretary explained the project's objectives, target reach, and the process of compiling online research into an impactful visual narrative. Following the briefing, the documentary was launched across digital platforms and screened for students, school staff, and community members. The video presented compelling data on dowry-related domestic issues and economic burdens on families. The initiative concluded with the Community Service Director extending sincere gratitude to all members and contributors who dedicated their time and effort to researching, editing, and publishing this documentary.

Feedback

The documentary received highly positive and encouraging feedback from both students and local community members. Viewers noted that the documentary opened their eyes to the ways dowry practices still persist in society and reinforced the importance of standing up against social pressure. Students expressed that the content inspired them to reject dowry traditions and spread awareness within their families and peer groups. Older attendees and community elders appreciated the club's initiative to tackle such a social issue through digital media. Overall the program was widely commended for its message and educational value.

Conclusion

By putting online information into a powerful and heartfelt documentary the club successfully brought attention to the damage caused by the dowry system. The film moved people. Encouraged them to think deeply about the issues. This event showed again that the club stands firmly for social change and believes in young leaders stepping up.
