About: "Checkmate Arena-Junior & Senior Chess Competition"

Introduction

The Checkmate Arena – Junior & Senior Chess Competition was organized by the Interact Club of Sagarmatha Devdaha on 14th August 2026 at the Sagarmatha School Hall. The competition aimed to promote strategic thinking, concentration, sportsmanship, healthy competition, and fellowship among participants through chess. A total of 90 participants took part in the competition, making the event an engaging platform for young chess enthusiasts.

Project Summary

The program began with the registration and briefing of participants, followed by the chess matches for the Junior and Senior categories. Participants competed through different rounds, demonstrating their strategic thinking, concentration, decision-making, and chess skills.

The matches created a friendly yet competitive environment where participants had the opportunity to showcase their abilities and learn from one another.

The competition concluded with the determination and recognition of the winners. Overall, the program successfully encouraged critical thinking, discipline, sportsmanship, healthy competition, and fellowship among the participants while promoting chess as a valuable intellectual activity.
