About 'Series of Esports'

Introduction:

The Series of Esports – Free Fire Tournament was held on 31st July 2026 and organised by the Interact Club of Narayangarh in collaboration with the Interact Club of Central Butwal and Interact Club of Orchid School, Interact Club of SOS Children Village and Small Group Home-Gandaki as interact partners. This tournament aimed to bring Interactors together through esports further encouraging teamwork, strategic thinking, healthy competition, and fellowship.

Program Summary:

The project brought participants together through esports, fellowship, and community service, giving them an opportunity to enjoy healthy competition while also contributing to the cleanliness of the surrounding environment. As part of the initiative, participants distributed drinking water to visitors, collected waste from different areas of the park, and placed dustbins to encourage proper waste disposal. Through these activities, the program promoted teamwork, environmental awareness, and a sense of responsibility toward the community.
