About ‘उत्सव’

Introduction:

‘उत्सव’ was a two-day youth-focused event organized by Interact District 3292 – Zone IV and hosted by the Interact Club of Central Lumbini. The event aimed to inspire, motivate, and empower young people by providing them with an opportunity to learn from experienced speakers and personalities from different fields.

Project Summary:

The event was successfully conducted on 21st and 22nd August 2026 at Oxford Secondary School with the active participation of Interactors and young people. The program featured various inspiring speakers, including Barsha Gyawali, Abishkar Khanal, Roshni Bhandari, and Pranada Dixit, who shared their experiences, ideas, and valuable insights to motivate the youth.

The event was further enriched by the presence of Surakshya Panta, a renowned Nepali actress, as the keynote speaker. Her session provided the participants with an inspiring perspective on pursuing dreams, overcoming challenges, building confidence, and developing a positive attitude toward life and personal growth.

Throughout the two-day program, participants had the opportunity to engage with the speakers, gain new perspectives, and learn valuable lessons beyond the traditional classroom environment. The event created a platform for young people to connect, communicate, and become more confident in their abilities.

‘उत्सव’ successfully reflected the spirit of youth leadership, learning, fellowship, and personal development. The collaboration between Interact District 3292 – Zone IV and the Interact Club of Central Lumbini also strengthened teamwork and fellowship among Interactors.
