Date: 14<sup>th</sup> August , 2026

Time: 5:00 PM

Venue: Narayani English Public School

Organized by: Interact Club of Narayani Public School

Avenue: Community Service

### Introduction:

On 14<sup>th</sup> August 2026, the Interact Club of Narayani Public School, successfully organized a Street Dog feeding program at Narayani Public College's surrounding as well as several areas of Ward no. 11. The program aimed to feed the street dog as part of our commitment to animal welfare and community service. Through this program, our club aimed to promote love, care and encourage responsibility of community for not only peoples but to the street dogs as well as other animals. The program also provided an opportunity for members to actively participate in meaningful service and spread awareness about kindness and human treatment of animals.

### About :- "Dog feeding Program"

#### Summary:

The program started as the Vice President and Vice Secretary(In absence of President and Secretary) introduced and explained agendas, importance and core idea of this program to all the members of the club. After everyone were clear on this, we all scattered in different areas of our surrounding covering different areas of Bharatpur Ward no. 11. Throughout the program, several students as well as adults joined us to help in this journey. We looked for street dogs and fed the biscuits and breads. Every member present there roamed around, searched for street dogs in the community and fed them with a different level of joy. At last, our community service director thanked all the participating members to actively participating in this community service program as they gave their time to fed the street dogs and create memories.

#### Feedback:

The program received highly positive feedback from the participants. Students expressed that this program helped them to know that street dogs were hated by the peoples in community and they should treat every living equally in the society. They also expressed that, they created several memories with the club and felt enthusiasm, joy and happiness throughout and after the successful completion of the program. Also, Elderly peoples appreciated our works and blessed us to do similar kind of programs in the future. Overall, the event was well-managed and appreciated by all those in attendance as well as elderly peoples of the community.

#### Conclusion:

The Street Dog Feeding Program was organized by the Interact Club of Narayani Public School. The program ended successfully with lots of involvement and great help from club members and the local people. The program gave food to the street dogs, in parts of Bharatpur Ward No. 11. It also made students and adults join together for a cause. The event was something that people will remember. It was also very satisfying. All of this happened because the people who took part showed a lot of energy and happiness. Through this effort the club was able to build its spirit of helping the community and to spread kindness, understanding and proper care for animals. The program ended with a thank you message to everyone who took part and gave their time and work to make the event a success.
