

BRING A FRIEND WEEK

Project Number: 04

Date: 23rd August, 2026

Duration: 12th August to 22nd August

Area of Focus: Membership & Club Development

Specified Committee: Public Image

About “Bring a Friend Week”

Introduction:

Bring a Friend Week is an initiative by the Interact Club that encourages members to introduce their friends to the club, connect with new people, and help grow our Interact family. It is a simple way to share the Interact experience with others and build stronger connections..

Project Summary:

Bring a Friend Week was organized by the Interact Club of Little Angels' School as a membership engagement initiative to encourage existing members to introduce their friends to the club. The event aimed to create new connections, increase awareness about Interact, and encourage more students to become actively involved in the club and its activities.

Throughout the week, members were encouraged to invite their friends and share their experiences as Interactors. This created an opportunity for new students to learn about the club, its activities, and the values of service, friendship, and leadership.

The initiative resulted in a total increase of 15 new members in the club. Riez Shrestha was recognized as the winner of Bring a Friend Week for successfully bringing 4 new members. His active participation and effort contributed significantly to the success of the initiative.

Overall, Bring a Friend Week was a successful initiative that helped expand the Interact family, strengthen connections among members, and encourage greater involvement in the club.
