Introduction

On 26 July (Sunday), the Rotary Club of Ratnanagar, in collaboration with the Rotaract Club of Ratnanagar, Interact Club of Skyrider, and Interact Club of New Capital College, organized a Tree Plantation Program at Musahar Basti, Sauraha. The program aimed to promote environmental conservation and encourage the importance of tree plantation for a greener future.

Summary

The program began with the introduction of the members from the Rotary, Rotaract, and Interact Clubs, followed by a brief opening session. Participants then actively planted saplings around Musahar Basti with great enthusiasm and teamwork. Members of the Interact Club of Skyrider worked together with the collaborating clubs, making the activity both meaningful and well-coordinated. The plantation drive not only contributed to a greener environment but also strengthened friendship, cooperation, and the spirit of community service among all participants. It also encouraged everyone to take greater responsibility for protecting nature and inspired them to continue participating in similar environmental initiatives in the future.
