About the MUN masterclass

Introduction:

The MUN Masterclass was an educational session co-hosted by the Interact Club of Premier International School and the Interact Club of Prativa to help participants develop their knowledge and skills in Model United Nations.

Project Summary:

The masterclass was conducted through Google Meet on 2nd August, providing participants with an opportunity to learn the fundamentals of Model United Nations, including position papers, diplomacy, public speaking, and effective participation in committees. The session was led by Darshan Adhikari, one of Nepal's most experienced MUN chairs, who shared practical knowledge, experiences, and valuable guidance with the participants. Participants were also provided with certificates and comprehensive documents containing MUN resources, guides, and summaries to support their learning and future MUN participation. Overall, the session helped participants build their knowledge, confidence, and communication skills.
