Specified committee: Community Service

Sponsoring Organization (s): Rotary Club Of Lumbini  
Siddharthanagar

Area of Focus: Disease Prevention and Treatment (Promoting mental wellness through social and cultural connection).

About 'Raksha Bandhan Celebration 2026-27'

Introduction:

The event was jointly hosted by the Interact Club Of Shree Lumbini Gautam Buddha and the Interact Club Of Kashi Noble Academy. It was a service-oriented project, not a fundraising event. The primary theme of the project was centered on celebrating the traditional Hindu festival of Raksha Bandhan. As the banner states, the event was designed to honor "the beautiful bond of brothers and sisters," representing "a promise of love, care and lifelong support." This celebration is a significant cultural event that fosters community spirit and mutual protection, aligning with Rotary's mission of service above self.

## Project Summary:

The "Raksha Bandhan Celebration 2026-27" was successfully executed on [Date] at American Corner, beginning at 1:00 P.M. The project brought together members of both collaborating clubs to share in the traditional ritual of tying the Rakhi, symbolizing a lifetime bond of "love, trust and protection." This event was done in full partnership with the host club, the Interact Club Of Kashi Noble Academy. The outcome of the project was the creation of new friendships, stronger inter-club bonds, and a renewed shared commitment among Interactors to look out for and support one another, effectively living up to the event's ethos of being "connected forever."
